

Assessment Video Consent Form

What is the purpose of this document?

Liberator is committed to protecting the privacy and security of your personal information.

This consent request describes how we collect and use personal information about you during your relationship with us, in accordance with the General Data Protection Regulation (GDPR).

It applies to all customers wishing to supply Liberator with Video Media Data samples of themselves or an individual they are responsible for, who has requested or been offered a communication aid assessment to be carried out virtually by a Liberator Consultant. Liberator will not share this data with any third party, will only use this data for the above purpose and will discard once the assessment has been carried out. We do require you to provide your explicit consent by signing your preferences below:

What data we expect from you?

The video you send to us could show all or any combination of the following of the individual requiring the assessment:

- performing an activity
- accessing a tablet or mobile device
- using their communication aid (if they already have one)
- sitting in their wheelchair (if they use one)
- speaking

Data Usage

- Liberator will use the supplied video as a guide to better understand the individual requiring a virtual assessment for a communication aid.

How long will Liberator store your retained personal data for?

- Liberator will store your data till immediately after your assessment or for up to 1 month, whichever is earlier. Your data will be deleted after this time.

Liberator will not share your personal data with any Third-party.

I/we _____ hereby grant to Liberator Ltd the right to use my data as supporting material for the virtual assessment of _____ for a communication aid.

Signature: X

Print Name: _____

Date: _____

Liberator will hold data in line with our Privacy Policy. This can be viewed on our website:
